

Please talk softly,
don't yell or shout.
That disturbs your friends,
and is much too loud.
Be sure to be nice,
and give compliments.
Say please and thank you
to teachers and friends.

Stay in your seat,
don't get up and roam,
Unless it is recess,
or time to go home.
When walking in
hallways,
go with the flow.
Don't run or sit down,
walk nice and slow.

Be good to your friends,
and always be kind.
Be helpful and caring,
and you will find,
That every good and
nice thing that you do,
Your friends will return
and do back to you.
