

A yellow sticky note is pinned to a white background with a red pushpin. The word "Change" is written in a bold, black, cursive font on the note. Below the word, there are two parallel black lines that underline it. The note is slightly tilted and has a soft shadow.

Change

Sometimes things don't go quite the way they were planned.

This is called **CHANGE**.

Change is not a bad thing.

Change is something **DIFFERENT**.

When something **CHANGES**, I can say, "That's **OK**. I can deal with this change.

I will listen to my parents or my teachers, and they will tell me what will happen...next.

CHANGES are a part of life.
